

HOLIDAY WISHES

From Dr. Boyes and Team

Teamboyes is thankful for the opportunity to provide “dedicated dental care for your family’s good health.” We all enjoyed a year of settling into our new office and continue to partner with you, our valued patients, to provide the quality of care you deserve. We have been fortunate to spend time outside the office for staff education by attending the Rocky Mountain Midwinter Conference and Get Motivated Seminar. A visit to Kart Attack provided a team bonding event.

Have you visited our website? www.drboyesdentalcare.com offers a wealth of information on the services we provide, education on dental implants, and much more. Referring a family member or friend? Direct them to our website for contact information, new patient forms and directions to our office. As always, thank you for your referrals.

Remember, if you have remaining insurance or flex plan dollars, give us a call before your benefits expire. We will be glad to assist you in the planning and utilization of your year end benefits or helping to project your dental budget needs for 2010.

Wishing you and yours all the blessings of a Happy Thanksgiving, a Merry Christmas and a Prosperous Healthy New Year!
