

# HAPPY HOLIDAYS

*The 2010 year is nearly over and with the holidays approaching there is no greater time to express our gratitude to all of you. We appreciate the opportunity to provide you with "dedicated dental care for your family's good health" throughout this year. Our desire is to help you satisfy your dental goals.*

*In May, Dr. Boyes provided our team with Advanced Team Training in Las Vegas. We spent 2 days working our "emotional intelligence" with Pride Institute. Continuing education and team meetings help us stay up to date in order to offer you, our valued patients, the best in dental care.*

*"10-10-10" was an exciting day for our office as we gathered to witness the marriage of our assistant Taralee and her "perfect 10" patient, Bret Petersen. Yes, they met at the office October 10th six years ago. Best wishes to the happy couple!*

*We've initiated a new connection to enhance our partnership with you. You now can choose whether you want to be contacted by email, phone, or text message regarding the appointment you reserve. You can become our friend on "Facebook" at **Dr Boyes Dental Care Greeley Colorado** or visit our website [www.drboyesdentalcare.com](http://www.drboyesdentalcare.com) for more detailed information on the services we provide and the latest news in dentistry. If you know of anyone who would benefit from our service, invite them to call our office for an appointment and direct them to our website for contact information, new patient forms and directions to our office. As always, thank you for your referrals.*

*In this economy one of the most important investments you can make is in your personal health. If you have unused insurance or flex plan dollars, call us and we will be glad to assist you in the planning and utilization of your year-end benefits or help you to project your dental budget needs for 2011.*

*Thanks again for partnering with us.*

*Warmest thoughts and best wishes for a wonderful holiday and Happy New Year!*
